JAMES MADISON CHARTER ACADEMY

JMCA utilizes Core Knowledge curriculum in a school serving children in grades K-6. It is the only charter school within Districts 3 and 8. The school, located in the Widefield #3 School District, is only minutes from Ft. Carson's Gate 20.

Our small size means we can provide individualized instruction. We are recognized for the academic growth attained by our students.

Before- and after-school day care for JMCA students is available on site. The JMCA Educational Activities Center is open Monday through Friday from 6 a.m. to 6 p.m.
