

## **School of Choice Option**

As you consider your child's choices for education next year, why not consider James Madison Charter Academy? Although we are located in Widefield School District #3, JMCA accepts students from any school district.

## **Why choose JMCA?**

JMCA provides a private school education at a public school price – FREE! We “grow kids” by moving them from where they are to realizing their potential through individualization. This quality education takes place in a safe environment for all students.

## **JMCA Highlights:**

- JMCA utilizes the **Core Knowledge Curriculum** through project-based instruction and group learning.
- **Parents are actively involved** in the school through volunteer activities and a parent-run board of directors.
- **Before- and after-school child care** is operated by JMCA, not an outside agency. Parents may drop off students as early as 6:00 a.m. and pick them up as late as 6:00 p.m.
- JMCA offers a **free full-day kindergarten** for all students.
- JMCA's attendance rate is above 95% and a strict policy discourages absences and tardies.
- Our student population is diverse and respectful.
- We provide a **safe environment** in which all students are known by the adults in the building.
- We offer **free after-school activities**, including chess, art, and violin.
- Our **small size** and **low teacher to student ratio** means we can offer individualized instruction that meets student needs. Our teachers work hard to provide interventions and challenge opportunities.
